Meet Ocusell List™

List™ is a modern add/edit platform that simplifies listing management - enabling brokers and agents to create and manage listings across one or multiple MLSs, fast.

Save Time

Spend less time on data entry with 40+ data sources, AI automation, and one-click publishing to multiple MLSs.

Stay Compliant

Ensure your listings are compliant before publishing with real-time compliance checks

Edit Anywhere

Quickly update your listings from any device, whether you're at your desk or on the go!

Powerful Features:

- ✓ Single point of entry to multiple MLSs
- ✓ Real-time MLS sync
- ✓ Built-in compliance
- ✓ 40+ data sources to auto-populate fields
- ✓ AI-driven public remarks and image reordering
- ✓ Social media syndication
